

West Coast Homecare is a provider of in-home and community aged care services to the Eyre Peninsula.

West Coast Homecare has been facilitating care in the community for more than 30 years.

Our people live local, work local, know local.

Through our network of trusted home care professionals we offer a range of services, supporting you to continue the lifestyle you enjoy in your own home and community on Eyre.

Adaptability is in our nature, so we can support more often, or step back when you've got it covered. This is your life, we're just here to support you to live it how you want to.

Let's make it happen.

Contact West Coast Homecare

No one knows you better than you do. Our role is to listen, give you expert advice and simplify the process. If you are unsure of what you want or need, our support professionals can talk with you and help you identify how our services can fit with your life.

To learn how we can make a difference, give us a call to arrange an in-home visit with one of our trusted Support Coordinators.

West Coast Homecare

In-home and community aged care

“Mum would like to say a big thank you to all the WCH staff and the care workers for their wonderful support over the many years they have been caring for her. Thank you.”

Kate, Mary’s daughter

We want you to feel confident and in control, so our services are flexible and designed to grow and adapt to your needs.

Our Support Coordinators will meet with you face-to-face to create a care plan that meets your individual needs.

Personalised support

Our aged care services are delivered by local people. We have a deep understanding of our region, resulting in personalised care that allows you or your loved one to stay at home for longer and remain active and involved in our community.

We understand that your interests and priorities change over time and we have the flexibility to adapt and grow alongside you. If you have a goal, we can make it happen – together.

A hand around the home

We take care of the little things so you can focus on what is important. Our service providers are able to assist you with daily tasks such as personal care and meal assistance, or even just doing the laundry or grocery shopping.

Being social

Staying in touch with friends and family is an important part of living a fulfilling life. Our services are designed to assist you to remain an active part of our community by supporting you to attend social events and weekly activities.

Support for carers

Our carer’s respite service gives you time to rest and rejuvenate, knowing that your loved one is being cared for by local service providers. Take some time to do the things you’ve always wanted to do, and return feeling fresh and re-energised.

Home maintenance

We all take pride in where we live. Our home maintenance service keeps your house and yard safe and looking top-notch, and ensures that you continue to feel safe through home audits and modifications.

Service provider of Commonwealth Home Support Program and Home Care Packages
