

West Coast Homecare is a provider of adult disability support services to the Eyre Peninsula.

West Coast Homecare has been facilitating care in the community for more than 30 years.

Our people live local, work local, know local.

Let's make it happen.

Through our network of trusted home care professionals we offer a range of services, supporting you to continue the lifestyle you enjoy in your own home and community on Eyre.

Adaptability is in our nature, so we can support more often, or step back when you've got it covered. This is your life, we're just here to support you to live it how you want to.

NDIS

West Coast Homecare is a registered National Disability Insurance Scheme (NDIS) Provider. If you have been accepted for NDIS support, we are able to liaise with you and your coordinator to plan how to make the best use of your funding. If you are unsure about your eligibility for the NDIS, get in touch. We are happy to talk you through the process.

Contact West Coast Homecare

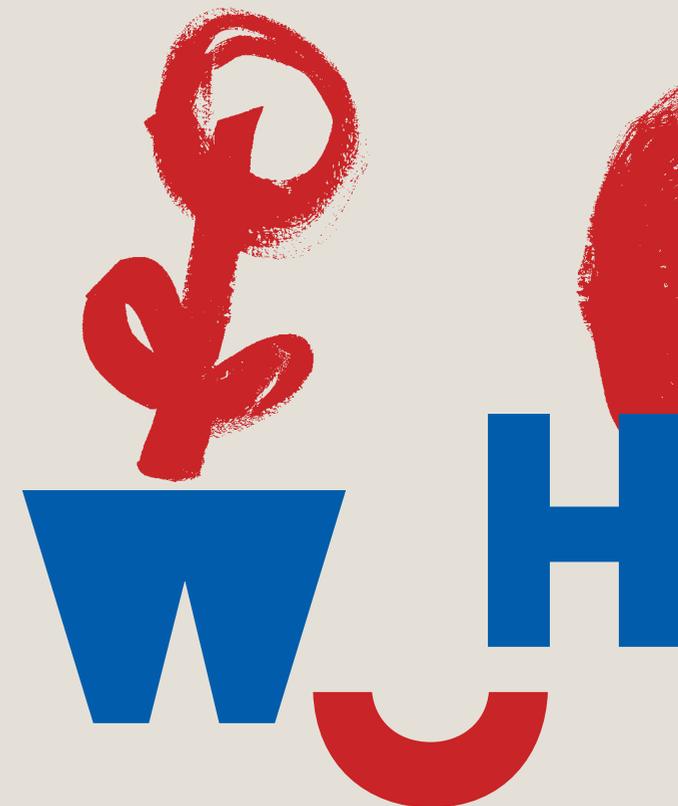

Our role is simply to listen, give you expert advice and simplify the process. If you are unsure of what you want or need, our professionals can talk to you and help you identify how our services can fit with your life.

To learn how we can make a difference, give us a call to arrange an in-home visit with one of our trusted Support Coordinators.

West Coast Homecare

Support for people with disability

Your goals are unique and deserve personalised attention, so we tailor our support services to fit in with you and your life.

At West Coast Homecare, we strive to simplify the process of accessing quality support services. By taking the time to learn about you and listening to your experience, we facilitate a flexible service designed by you.

Our professionals work with you to create a plan that suits your lifestyle, and helps you achieve your goals. We provide sound, expert advice to you, so you can continue to live the life you want.

Our services are all flexible and designed to grow and adapt to your needs.

“The Support Coordinator has thoroughly explained all about the services. I found her very pleasant and easy to talk to. I couldn’t have asked for anyone better to talk to us.”

Jenny

Daily personal activities

We understand that receiving support for daily personal care can be daunting. Our service providers deliver personal support in a sensitive and professional manner and will assist you to do as much of your own care as you comfortably can.

Development of daily living and life skills

We can assist you to develop greater independence and increase your ability to live as autonomously as possible. We support you to build the skills you want, so you can achieve your goals.

Social and community activities

Whether you prefer a coffee catch up with a close friend, or you are the life of the party itself, our services are designed to help you stay an active part of our community. Our friendly service providers can get you to social events and weekly activities.

A hand around the home

Our service providers are here to assist you to live the life you want. We can support with daily tasks as much or as little as you like, from grocery shopping and meal assistance, odd jobs, home maintenance, and doing the laundry, so you can get on with your day.

Support for carers

Caring for our loved ones is important, but sometimes you also need to take some time for yourself. Our carer’s respite service allows you to rejuvenate with peace of mind, knowing that your loved one is being cared for by a local professional.
