

# HOME CARE PACKAGE FEE SCHEDULE

Current as at 1 July 2019

We may vary our charges for provision of the home care package as a result of wage increases, consumer price index changes and other variables we consider relevant. We will give you 14 days written notice of any change to the home care package charges, and the change will become effective at the end of that period.

More information on the types of services is in the “Your guide to home care package services” booklet.
